  - (iv) the interests and welfare of the public; and
  - (v) the ability of the City to finance economic adjustments and the effect of such adjustments on the normal standard of public services provided by the City.
4. The fact-finder may not create his own settlement but may recommend a potential settlement.
  5. If no agreement has been reached within thirty (30) days of the issuance of the fact finder's recommendation, the recommendation of the fact finder will be forwarded to the governing body; the governing body, following opportunity for the exclusive representative and the City's bargaining agent(s) to fully present their respective positions, may accept or modify the fact finder's recommendation as they see fit. The decision of the governing body is final and binding on both parties and shall be incorporated into a contract.
  6. The cost of the impasse proceeding that requires a third party shall be borne equally by the parties to the impasse.
