CHAPTER 8

ELECTIONS

SECTION 8-1. STATE LAW GOVERNS CITY ELECTIONS.

All city elections shall be held in conformity with the most recently compiled elections laws of the state.

SECTION 8-2. QUALIFICATIONS OF CITY OFFICERS.

All city offices are nonpartisan and city officers shall be electors qualified under Wyoming law and residents of the city.

SECTION 8-3. WARDS. REPEALED 4/13/20

SECTION 8-4. ELECTION CYCEL AND PROCESS

- (a) In presidential election years the Mayor and three council members shall be elected. IN off year election, three council members shall be elected.
- (b) During the primary phase of the election cycle the number of candidates shall be narrowed to the two (2) candidates for Mayor receiving the most votes, and the six (6) candidates for council member receiving the most votes for seats regularly open in the election cycle. If there are open council seats or mayoral seat due to an unscheduled vacancy, and which seat(s) are statutorily required to be on the ballot, the field will be narrowed to the two (2) candidates for Mayor receiving the most votes, and two times the number of open seats of candidates for council, which receive the most votes.
- (c) During the general election qualified voters of the City of Kemmerer may cast one vote for Mayor and may case up to three (3) votes for City Council Members for the three (3) seats regularly open in the election cycle, and votes totaling the number of open City Council seats on the ballot which are not regularly scheduled open seats.
